28 No School Memorial Day	29	30	31			

As we move into our last stretch of the school year, there will be many exciting activities happening. We welcome and encourage parents to participate! Please be sure you bring your driver license to sign in at the front office. You must be a registered volunteer to participate in classroom activities. Next school year, our school starting and ending times will remain the same. Our start time will be 9:40 and our ending time will be 3:50. The tardy bell will ring at 9:40 promptly.

This upcoming week is Staff Appreciation Week- May 8th. Take the time this week to write that special teacher, assistant, cafeteria worker, art teacher or whomever and let them know what a difference they mean to your child and family. This simple expression means more to educators than you can imagine. Thank you in advance to the PTA for all our goodies that week! Please look carefully at the calendar to see all the events and upcoming programs.

We will be collecting overdue library books during the last few weeks of school. Please look for notices in your child's planner about overdue items. At this time, we are not taking any teacher requests for the 2017-2018 school year. We will keep you posted of all the changes and if you have any concerns about your child's placement for next year, please feel free to call and ask for administration this summer. **Just a reminder about student dress code - there are no hats and no flip-flops allowed on campus unless we designate a certain day. In addition, girls need to wear shirts or dresses that are at least 2 inches wide at the shoulders - no halters or spaghetti straps. **There should be no short shorts.**

Several groups of students will be at Oakstead for summer school. This program begins on June 12th and lasts for six weeks. In addition, we have PLACE for Oakstead families, summer clubs and numerous teacher/district trainings/workshops on campus this summer. You are welcome to call the office anytime all summer with any questions you may have – just a reminder that we work 10 hour days and are closed on most Fridays.

The last day of school for students is Friday, May 26! Have a wonderful and safe summer!!
