**Happy Kindness Month!** We hope you will enjoy the Kindness campaign activities over the next few weeks. It is always fun seeing the students and staff in all their attire! Thank you in advance for all the goodies you send in for **Pack-A-Sack!** Our focus will be on Kindness and caring for one another throughout the month, collecting items for needy students. Thank you to our guidance department for their creative and positive approach to get us involved!

We have many fun events planned for this month. Some highlights include: Parent Night for FSA on February 8<sup>th</sup> at 6:30 – this night is an informational night for parents that have students in 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grades that will be taking the FSA test (no students please). Our Otter Ball sponsored by PTA is Friday, February 16<sup>th</sup> – this is a family event, no drop offs please.

Monday, February 19<sup>th</sup> is our Chick-Fil-A drive thru – parents will order items in advance and then pick them up in the car loop at OES!!! Last but not least, Feb. 23 is our STEM Fair – this is an optional event for grades 4 and 5! In addition, February is the month to submit your School Choice forms for out of district attendance. Please remember if you are out of county this must be done each year – if you are in county your application should be rolled from last year.

We ask that parents not enter classrooms without someone assisting them. We have had parents come into classrooms early in the am as well as after school. While we understand that your child may have left something in the room, it will still be there the next day – this teaches responsibility. Due to all the safety issues, we ask that no one enter classrooms without being escorted. Thank you for your understanding.

Monday, March 5<sup>th</sup> is FSA Writes for our 4<sup>th</sup> and 5<sup>th</sup> graders – we wish them the best of luck. Please remember we will be a closed campus on this day, so no lunch visitors.
