*We have noticed that many of our kids are coming to school each day later and later. School begins at 9:40 and if you are getting to school late your child is missing valuable instructional time – please try to get them to school on time – we start unloading car line at 9:20!!!

*This month we have two service projects – **Jump Rope for Heart and Advocates of Love** – they will be making kits for the Advocates of Love – items needed are: socks, underwear, school supplies, toothbrush, toothpaste, soap, and first aid items. Jump Rope for Heart will be on Field Day, March 15th with all proceeds going to American Heart Association. Thank you to Mrs. Peck-Martin for coordinating this event.

*We have some very important testing dates later this month and in April – just a reminder that we will have a **QUIET campus and no volunteers or lunch visitors on these days – March 5, April 9, April 10, April 16, April 17, April 18, April 19, April 23, April 24, April 25, April 26, April 30 and May 1 and 2nd.** Thank you in advance for helping our students be the best they can be on these important dates! They are very spread out this time so we apologize in advance for the closed campus.

*While the days are getting warmer, this is just a reminder about our school dress code – no flip-flops of any kind (this is for safety). In addition, no spaghetti straps or halter tops for girls and **no short shorts**. When you are picking out shorts they should come to top of your fingertips when your arms are at your side. As we see students out of dress code we will talk to them privately.

*Just a reminder that there is **no school for students on Friday, March 16th (Teacher Planning Day) and that Spring Break begins on Monday, March 19th and students return to school on Monday, March 26th.** We hope that you enjoy this time together as a family and we look forward to our last nine weeks together.
